wellnesscenter.antiochcollege.edu

An oasis of health and wellness for the College and the community.

The 44,000-square-foot Wellness Center is a place for the College and the community to come together to focus on fitness and health. The Center—spacious and filled with natural light—blends historic architectural elements with modern amenities. Awarded LEED Gold certification in 2016, the Wellness Center embraces Antioch’s commitment to sustainability.
